

Father, I thank you for the gift of salvation through your son, Jesus Christ.  
Give us ears to hear your voice as we seek to connect our lives with your will.  
Help us to see the next step you have put before us and our congregation  
as we look to connect with our neighbors and community.  
May you be known through our generous actions - Amen.

# A LEGACY

OF

---

## FAITHFULNESS

---

Please join us in prayer as we look to see where  
God is leading us as individuals and a church body.

**These dots remind us to connect with God during our daily lives. How?**

1. Stick these little dots in all the places you see every day like the bathroom mirror, your computer, your car dash, your cell phone, your watch, etc.
  2. Every time you come across one in daily life it will remind you to pray. To help you get started there is a prayer on the back of this card.
